## Message from Pam Lindsay, President

Happy Holidays!!

However you celebrate this season, it is a season of love, thanksgiving, and wonderment to all. I send you my very best wishes for the holidays and the New Year!

With that thought in mind, I envision the CCC unit as having a fantastic 2016. It is friends, camping, and in many instances, making lifelong connections..... I am privileged and thankful to be a part of it. Every rally brings people together to enjoy each other's company/interests/stories whether you are long time members or newbie's!

Each rally has a different host, contributing their style to the gathering. That is the wonderful thing about people getting together and sharing. This next year I am encouraging KIS - keep it simple! When we started out (before my time) there were fewer rigs attending rallies. Now we are gifted to have over 60 members!!! But that makes hosting a rally with dinner provided an entirely different undertaking. In 2016, I would encourage a change, so it's more enjoyable for everyone. Updating the reservations will be the most work a rally host needs to do. I would encourage Friday night dinner change into a 'heavy' appetizer night that will be 'dinner', Saturday and Sunday to be a continental breakfast, and Saturday night the traditional pot-luck dinner. It doesn't need to be a 'hard line' rule, if you want to do more, that's up to the hosts, but

most of us feel it has gotten out of hand as our numbers have increased. The emphasis should be on camping, getting to know each other, and having fun! After all, we are a camping club!

On Hosting: Having a host for the rally is one way of solidifying the rally, knowing it will be there and organized so everyone feels welcome. I think having a host makes a rally feel homier...warm and fuzzy! It gives us a base that brings everyone together. If we don't have a host we can make the rally a 'no host' (everyone will make their own reservations) and, hopefully, get together with others as they arrive. I'm sure it will work, but I so like that homey feeling! So, now that the pressure is off, please consider hosting.

Our January venue is at Valencia Travel Village (we do not have hosts at this time) a great camping venue with lots to do nearby. I am told the **Merle Norman Nethercutt Museum** is a MUST! (It's free and Cal Meuser has offered to make the reservations for us.) If Magic Mountain is your cup of tea.....it's just around the corner, as is Camping World! **If someone doesn't step up to be host before December 4<sup>th</sup>, I will have to cancel the group reservations and classify it as a 'no host' rally and we will lose the group rate.** It's not the end of the world....Whatever the venue, it's the people that create a rally. As I've said, if it's a no-host rally, get in touch with each other if you are planning to attend...enjoy each other! That's what it is all about! If you would like to step forward and host, this or any other rallies, please let me know. I find hosting great. I like to plan and contribute. Try it....you'll like it!

Wishing you safe travels, great family connections, love, and hope for the coming year!!!

Pam

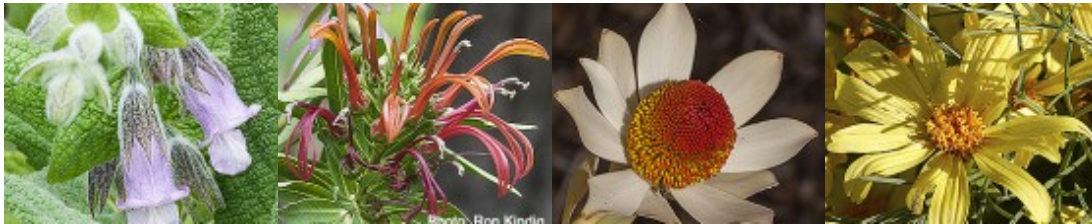

## FUN RALLY AT EL CHORRO COUNTY PARK –by Bob Minder

The Jet, that is what El Chorro translates to in English. But it was not a fast paced weekend rally, but a very relaxed one. It was always designated to be a small rally. Only ten sites. But with some unfortunate cancellations, there were only five Airstreams and 9 members there. Surrounded by shade and away from Highway one, it is a beautiful, peaceful and quite place to spend a weekend among friends. With such a small group, everyone got to sit together and share each other's company.

Roger and Rosemary Siminoff were wonderful hosts. Lasagna dinner on Friday night. An educational video, Robin Williams' *RV* on Friday night (with popcorn), telling us all the things we are not supposed to do when camping (or glamping).

Saturday morning found us gathering for a breakfast of muffins, yogurt and hard boiled eggs (all the major food groups), Then an absolutely wonderful tour of San Luis Obispo Botanical Garden on land leased from San Luis Obispo County right at El Chorro. We could walk from the campground on the - Romauldo Loop to the Gardens.

Saturday night and there is only one conclusion one can reach. If you leave a CCC Potluck hungry, blame the person who looks back at you in the mirror. What a feast! Afterwards, Roger and Rosemary proved themselves to be excellent marshmallow chefs. S'mores was the desert and a perfect top off to a wonderful day. Well except for the Gaudy contest. Roger, Rosemary, Pam and Pall all dressed up and were all contenders.

Sunday, of course was the sad day. It comes to every rally. The end of it (SOB!) It was safe journeys all around for all but one. Carol Cunningham stayed over awaiting the all clear to go home after the mud slides closed Highway 58.

So the next time there is a rally at "The Jet", otherwise known as El Chorro, you should go. There were complete hookups, too. My thanks to Roger and Rosemary Siminoff as the perfect hosts and to our fellow Airstreamers: Stuart and Pam Lindsay, Pam and Dennis Pall, Carol Cunningham and Bob and Linda Minder. We, of course miss those who could not attend or had to leave early (Ruth and Erland Coffin) and Janie & Chuck Alberti who ended up on the wrong side of the Highway 58 landslide. Other commitments kept Ed and Paula Poll and Mark and Glenda Kiger away too. But there is always next time.

### The Ocean Mesa Rally -

Wonderfully attended, we had 24 rigs total! For those that arrived Friday night, the hosts provided paella. Two ways! I made one, and co-member, Tom Reay, made the other. Our recipes were very similar and cooking side by side was so enjoyable. Paula Poll and Carol Cunningham provided salads to make the meal complete and we had homemade chocolate chip cookies for dessert.

Saturday morning we enjoyed a great seminar given by Rick Welch on electrical enhancements / essentials and important things that you should know about your Airstream that you won't find anywhere else. Many questions were answered by Rick, who is a great resource on the subjects discussed. Thank you so much Rick.

Saturday afternoon was 'auction' time...a drawing type auction for donated items to boost our treasury. I sensed that it was especially fun when the 'rules' were thrown overboard because the time was running out. Hey, we need to be flexible and deal with every situation as it comes up!!! It was fun and everyone attending went home with something.....well, except the Coffins who supported the cause but really did NOT want to take anything home!! BTH (bless their hearts!) Thank you to everyone that donated items to make this such a success. We were able to raise \$394 toward the treasury!

Directly after the auction we conducted our business meeting and voted on the Board for 2016. The entire slate of officers was elected:

President: Pam Lindsay

Vice Presidents: Judy and Walt Bremer

Secretary: Carol Cunningham

Treasurer: Robert Minder

One year directors: Bruce Yeoman and Joe Deering

Two year directors: Cal Meuser and Paula Poll

We also had the pleasure of welcoming new members, Alan and Robin Sokolow, and David and Diane Bolduan. We would have liked to welcome Doug and Helen Fabian, but their children became ill on Saturday and they needed to leave. We hope that they are feeling much better!

Pot luck dinner on Saturday was just like CCC does... OVER the top!!! Exceptional food. Great combinations. Wonderful company!!! Thank you for your contributions.

Sunday morning provided an unexpected rain, and thanks to many CCC'ers that monitored the progress of the 'storm'. It lasted about an hour, and did not put a 'damper' on the rally.....Most of those that had to leave on Sunday were made aware of the rain coming and hooked up to head out before it came...some, like we all do, went with the flow and hooked up in liquid sunshine!

Those remaining went out to lunch at the Brother's Red Barn Sunday afternoon (thank you to Ed Poll for the reservations.) It was a really great lunch with great company!

Carol Cunningham had extra fun over the weekend acquiring a new 26' U Flying Cloud. Congratulations Carol!!

After a very windy night, we hooked up and headed for home! Thank you to my co-hosts, Paula and Ed Poll, and Carol Cunningham. And to my side-by-side Chef, Tom Reay, as well as my auction helpers, Terri Reay and Judy Bremer!

Safe travels! Pam Lindsay

**Get well soon** – We all extend our thoughts for a speedy recovery to:  
Glenda Kiger, Tamy Wark and Peggy Meuser who have had surgeries recently.

**News of Passing -**

Von Gallion of Santa Maria, CA, and Incline Village, NV. We recently learned Von passed away in Boise Idaho on April 28, 2015.

Von made his living as a guitarist for most of his life. He played all over the country, and locally in San Francisco, Los Angeles, Lake Tahoe, and Las Vegas. He also played many clubs and was a regular on KTTV television in Los Angeles.

Von and his wife Margaret were avid Airstreamers and were WBCCI members for many many years. He was also an affiliate member of our CCC Unit. His wife Margaret preceded him in death in 2000.

Von continued to travel in several Airstream trailers after Margaret passed, attending as many International Rallies as he could, traveling with his friend Yvonne de Roule, also a WBCCI member and Airstream owner.

He is remembered by many of our members and will be sorely missed.

Bob Marshall, Past President of the former Tri County Unit and member of CCC, passed away September 26th, 2015. Bob and his wife Jean were avid Airstream travelers and were active in our previous Unit Tri County for over 30 years.

**May 13-15 - Lopez Lake** Hosts & co-hosts needed

A rural setting with lots of space between sites! We will be in Quail, as we were last year.....with El Nino in the predictions, we hope the lake will be back up. They have just included a zip line.....there are great hiking trails, and you can bike/hike to the back area and visit the Boy Scout camp/equestrian area. You will see wild turkeys, smaller wildlife (squirrels) and perhaps larger (bears! Oh my!) Arroyo Grande is a wonderful little town to explore with a great gourmet cooking store and many antique stores.

## Wine Tasting Caravan - Hosted by South Coast California Unit

Join us for a journey up the California Coast, enjoying the many wine producing regions along the way. We will sample wine from several districts, enjoy food pairing with these wines, and explore the many interesting and historic sites along the way.

We will rendezvous in Santa Barbara, and head for home from the hills above Hollister. Along the way, we will partake in wine tasting in Santa Barbara, Santa Ynez, Santa Maria, Arroyo Grande, San Luis Obispo, Paso Robles, Carmel, Monterrey, and the hills south of Hollister. We will experience "urban camping" in the town of Los Olivos, eat a festive meal of Santa Maria BBQ Tri-Tip, have opportunities for touring Hearst Castle and the Monterrey Bay Aquarium, and share numerous happy hours and meals together. We will have at least one joint wine tasting event in each region, and we will make recommendations on wineries you can visit on your own. (Since the wineries we will want to visit are small, it is best if we break up into small groups for most of the tastings...)

Dates: Rendezvous: June 11, Santa Barbara; end July 1, Paicines (South of Hollister)

Number of Airstreams: 10-15

Nights: 20; Estimated Kitty Fee for 2 per rig: \$2,100 estimate... Kitty fee covers 20 nights parking, many joint meals out and at least one joint excursion or wine tasting at each region, plus other niceties...

A note from Phil - I have led a few short caravans to the Santa Ynez and Paso Robles wine country in the past, but nothing this ambitious. I wanted to do something special this summer, so this seemed like a good idea. We know several great wineries and are familiar with a few winemakers, so we hope to put on an interesting caravan.

The real fun is just hanging out with cool Airstream people. The wine (and food) is just an excuse. We won't over do the wine tasting, as it can get exhausting. And anyone is always free to skip a particular event if it doesn't suit their taste. This is meant to be a relaxing, casual vacation, not work!

## ***Minutes of the General Meeting Of the Central Coast Unit of the WBCCI***

14 Nov. 2015

**Call to order.** Past President John Thornton called the meeting to order at 4:55 pm. He welcomed all attendees, and reminisced about previous gatherings in the Ocean Mesa yurt.

John went on to encourage members to host rallies in the new year, commending the 2016 choices of the Rally Committee, Pam Lindsay, Bob Minder, Bruce Yeoman, and Gary Mellinger.

He noted that reservations for the December Wine Country RV rally would be held up while the Park set up a new reservation system.

**Roll Call:** no roll call was made, but the Board had previously ascertained that we had the required quorum.

**Approval of minutes from last meeting.** Minutes were neither read nor approved, since they had been sent out in May after the previous general meeting.

### **Rallies for 2016**

**Pam** reported that the board wanted to make hosting rallies easier, given our growing numbers. One tactic was having multiple co-hosts so that hosting was still fun.

### **Board nominations for 2016.**

**John** thanked the 2015 board, Roger Siminoff, Pam Lindsay, Paula Poll, Gary Mellinger, Carol Cunningham, Dan Jones, Mark Kiger, Bruce Yeoman, and Joe Deering, as well as web master Walt Bremer. He further thanked VP Pam Lindsay for taking over after Roger Siminoff's resignation.

**Nominations for the 2016 board are:** Pam Lindsay for president; Walt and Judy Bremer as co-VPs, Bob Minder as treasurer, Gary Mellinger as Membership Chair, and Carol Cunningham as Secretary. Directors Joe Deering and Bruce Yeoman's terms continue. New director nominees are Paula Poll and Cal Meuser. Walt Bremer will continue as webmaster, and John and Carol Taggart will co-edit the newsletter. There were no nominations sent to the secretary or heard from the floor, and so the slate stands as is.

**Elections:** Christa Mellinger moved and Carol Taggart seconded the motion to accept the slate. It was accepted.

**Rally Committee:** Past President John Thornton asked for volunteers for the new rally committee. They will meet with the co-VPs (Judy and Walt); to plan 2017's rallies, including new places as well as old favorites. Volunteers included John Thornton, Bruce Yeoman, and Gary Mellinger (provided he is bribed with cookies).

**Membership** Gary Mellinger introduced the new members and gave them their CCC badges. The inductees were Alan and Robin Sokolow, Mark and Michelle Griffin, and Dave

and Diane Bolduan. They were welcomed with applause.

**Treasurer's Report** Paula Poll reported that CCC now has 61 regular members and 8 affiliates.

The checking account balance as of October 31, 2015 is \$9843.35, (including over \$2000 owed to Ocean Mesa for the November rally.

The CD account balance as of Oct. 31, 2015 is \$2,214.98, including the year's massive interest accumulation of \$1.23.

The full text of the treasurer's report is attached to the paper copy of these minutes. Paula ended by emphasizing the need for rally planners to keep rally expenses revenue neutral, and putting cut-off dates on rally coupons.

**Region 12 Rally** report: Chuck Pall and Bob Minder both attended the Region 12 Rally in Minden, NV. Bob's notes and handouts for the Rally are attached to these minutes. The 2016 Rally will be held in Hemet Oct 12-16, 2016, and 2017's will be Oct 10-15 at the Jackson Rancheria.

**Membership:**

**Health:** Gary reported that Glenda Kiger was being treated for a brain tumor at Stanford, and Tammy Wark was recuperating from successful intestinal cancer surgery. In addition, Peggy Meuser is recovering from her leg surgery at home.

**Guests** of the Palls, Dwayne and Laurie Brummett were introduced.

**In Memoriam:** Gary called for a moment of silence to honor Airstreamer Von Gallion, who had passed on.

The meeting adjourned at 5.33 p.m.

Respectfully submitted,  
*Carol Cunningham*

**Central Coast California Unit #20 WBCCI  
Treasurers Report  
November 5, 2015**

Membership New and Renewals as of October 31, 2015 for 2016 year includes:

61 Regular Members

8 Affiliates Members

Checking account balance as of October 31, 2015 is \$9843.35 (This amount includes over \$2000 owing to Ocean Mesa for the November rally). While this seems like a large treasury, we sometimes have to put down a large deposit to reserve a venue. For instance, we paid \$1700 to Ocean Mesa to reserve this venue last November.

CD Account balance as of October 31, 2015 is \$2.214.98. We earned \$1.23 interest last year.

Thank you to all of the members for renewing by check or using PayPal. We have set up payments to WBCCI by using Bank of America bill pay and sending the renewals by email. We also can receive unit dues from WBCCI via direct deposit in order to streamline our paperwork.

Our rally hosts have done a spectacular job of making sure our rallies are revenue neutral. Reminder to all rally hosts to download the excellent rally planning guide from the CCC website to use in planning a rally budget.

Currently we suggest a rally fee of \$17.50 per person or \$35 per couple which includes one main course dinner and two continental style breakfasts. If you wish to exceed that amount, please increase the rally fee. Attendees are often asked to bring a pot luck dish for dinner and appetizers, their own beverages, plates and flatware. Conversely, if you want to eliminate provided meals, reduce the rally fee.

Please include any campground fees, change or cancellation fees and taxes, if applicable. Also please include a date that campground fees are non-refundable on the rally coupon. Some campgrounds charge a \$9 reservation fee, as well as a \$9 change or cancellation fee.

To facilitate your request for reimbursement, please use the worksheet provided in the rally planning guide or an Excel spreadsheet if you prefer.

Thank you.  
Respectfully submitted,
