Hey! It's Fall!!! We can
almost feel it in the air!!!
(Well, at least today.....)

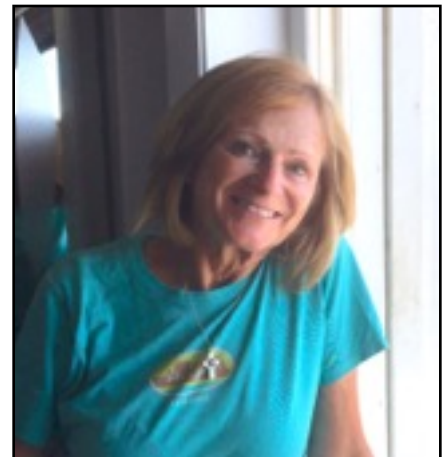

I hope your summer was
spent making memories
with those you love! Thank
you to those that have
shared their travels via
facebook.....!

Many of our members have
done some rather extended
trips these last few

months.....I hope you can share some of your experiences
by writing a short blurb for the Tattler.....we all love to live
vicariously through your adventures!!! Just submit them to John
Taggart at jtag@sbcglobal.net. I'm sure he will be more than
willing to include them in the next publication.

Coming in November we will have our annual elections of
Officers. This will take place at Wine County RV in Paso
Robles on November 19th. If you can't make the rally you can
submit your vote prior to the meeting. At this time we have the
following individuals volunteering: Vice President: Judy and
Walt Bremer . Secretary: Carol Cunningham. Treasurer: Robert
Minder. Membership Chair: Gary Mellinger. One year directors:
Cal Mueser and Paula Poll, Two year director: Mark Griffin and
Bruce Yeoman. There are candidates for office: Paula Poll for
President and Bruce Yeoman for 1 year director

The rest of the nominations will be announced/sent to you
when they are solidified, but not less than 15 days prior to the
meeting. Nominations can also come from the floor at the time
of the meeting.

Also, Linda Minder has agreed to take over as the Tattler editor for 2017. Yahoo!

Thank you for all of you for volunteering.....it's YOUR club.....and it takes all of you to make it what you want it to be!!!

And for next year.....we have a great slate of rallies in the making.....they will be published in the next Tattler/on the website. All we need is YOU to volunteer/get involved to make 2017 the best year ever!!! I think you will find it fun and rewarding!!!

I so look forward to fall each year.....the cooling of temperatures, the crispness in the air, the holiday celebrations.....and, of course, the opportunity to camp with the greatest people.....CCC members!

I'm looking forward to spending more and more time with you!!! Looking forward to it!

Sincerely,Pam

Channel Islands Holiday Boat Parade

It's not too early to think about celebrating the holidays - Airstream Style. We have arranged a group permit for the Channel Islands' boat ramp parking area. The harbor homes and boats will be decked out in lights for the holidays. There is also winter activities such as Santa and snow. Come join us for the rally Friday, December 9th through the 11th. Or come early, stay late and enjoy the many things to see and do in and around the area: Island Packers Boat Tours, Murphy Auto Museum, antiques in downtown Ventura, and of course, the beach.

Friday night we'll walk (or drive) over to Topper's Pizza on the water. You can select your favorite from a wide menu of pizzas and salads. Weather permitting afterward we'll have faux campfires back at the campsite.

After a yummy breakfast on Saturday, enjoy the harbor activities or go into town. Saturday night we will go to the Pacific Corinthian Yacht Club for a wonderful holiday buffet and Installation of your 2017 CCC Board. Then you will have front row seats for the Parade of Lights. The room at PCYC holds 52 people so send in your rally coupon (whether camping or just coming to the dinner/parade) as soon as possible so you don't miss out on this fun event.

Tattler Note(s) From the Editors

Tattler always needs information...if you has any info, pix, "good" comments, articles...please submit. to the Editors of the Tattler. Images should be .jpg of a reasonable size. Please email submissions to jtag@sbcglobal.net... In the Subject Line...please add Tattler + subject or nature of entry. If there are versions or resubmissions...add ver 1,2,etc. Also include version # on files. Coupons should be formatted. PDF files are great. Articles don't need to be formatted unless it's important. Often I make changes to formatting to make things fit. Don't forget submissions are due before the end of the month.

Travel safe...rubber down-shinny side up... John and Carol

Balloon Fiesta Rally

Mike & Roxy and Marty & Edward attended this year's Fiesta in Albuquerque. Great weather, over 550 balloons filling the sky and 147 Airstreams having fun. Check out article in next Tattler.

The Central Coast California Unit encompasses the scenic California coastal counties of San Luis Obispo, Santa Barbara and Ventura but our members come from all around Southern California! We are an active, social group which participates in local, regional and international rallies. We are dedicated to the Creed created long ago by the Airstream founder, Wally Byam. Though Wally has passed, the words and wisdom of his Creed lives on in the many Airstream Clubs which remain active to this day. Established on April 10, 1965, we continue to enjoy "Fun, Friendship & Camping" throughout California.

We are looking forward to seeing you Oct. 12-16 at the Region 12 Rally in Hemet and this will be hosted by Unit 14, El Camino Real. The Golden Palms RV Resort is a great place to hold a rally. We have enjoyed it as a unit and we would like to share it with you also. The month of October brings with it many types of celebration from an Oktoberfest day, to pumpkin carving, to dancing the

Polka with our favorite band of accordions, dressing up and taking the grand prize. We will enjoy the authentic German food and dancing. Bring your Lederhosen and German Ladies' attire.

Halloween events will also take place. Dunk' in for apples, carving pumpkins, and the best "Haunted Airstream."

We will be having some tournaments in shuffleboard in the large indoor arena that seats 300 and an official will guide us through the process. We also will have pickle ball for those who want to venture into the new senior activity, volleyball is available as well as horseshoes and ladder toss. We look forward to having a very fun time with one another. Of course, for all these sporting activities we will always need our cheerleaders forging us on to victory. We will keep you advised on the upcoming events as the date rolls closer. Please look up on the internet: Golden Palms RV Resort as they have a great web site. If you wish to come earlier or stay longer we will also be able arrange this.

Sincerely, El Camino Real

MEMBERSHIP RENEWAL FOR 2017

WBCCI International has changed their fiscal year so that it begins in August. Starting in August, members of the Central Coast California Unit can begin to renew their membership for calendar year 2017. While your dues are not technically due this early, those who choose to be proactive can begin the renewal process.

International dues remain at \$65.00 and the Central Coast California Unit dues remain \$15.00. Individuals who want to have or retain their names in the Blue Beret master issue issued in January, need to have their renewals submitted to International by November 1st.

There are several ways in which to renew your membership:

- 1) Sending \$80.00 directly to International in Jackson Center, Ohio. The web address is wbcci.org. Click the tab, **Renew Online Today**, answer the questions, and make sure the unit you select the Central Coast California Unit. Our unit is under Region 12 and the Unit number is 20. The form automatically lists the International Dues at \$65.00 and the Unit dues at \$15.00. When you complete the information and hit *submit* you will be taken directly to PayPal where you can use your PayPal account or pay by credit card. You can also print out the form and mail a check for \$80.00 to International directly to:

**WBCCI Central Office 803 E. Pike Street
P.O. Box 612
Jackson Center, OH 45334**

- 2) Renewing on the Central Coast California website: <http://centralcoaststairstream.wbcci.net>. Click on the **Membership** tab and complete the form. Once the form is complete and you hit submit, you will be taken to the unit PayPal. If you do not have a PayPal account, you can set one up or use a credit card to pay. Under this system, the Unit will release the funds from PayPal into the CCC bank account. The Unit will retain the \$15.00 and forward through Bank of America bill pay, the International Dues directly to International in Ohio. The Unit will prepare the paperwork to submit to International. If you use the Unit PayPal, add an

additional \$2.70 (total \$82.70) to cover the costs charged by PayPal.

3) At the Central Coast California website, you have the option to print out the membership form in a pdf (Adobe Acrobat) version. Complete the form and then mail it with an \$80.00 check to:

Robert Minder
CCC Treasurer 7170 Impala Drive Ventura, CA 93003

The check should be made out to **Central Coast Unit WBCCI**.

The entire check will be deposited to the Unit Checking Account and the International dues and Renewal paperwork will be forwarded to International in Jackson Center, OH.

4) Affiliates need to renew by check or PayPal. International does not accept affiliate Unit dues by themselves as all of the affiliate dues remain with the Unit. The renewal fee is \$15.00 and the check should be made out to **Central Coast Unit WBCCI** and sent to:

Robert Minder
CCC Treasurer 7170 Impala Drive Ventura, CA 93003
Payments via PayPal need to include an additional \$.74 or \$15.74 to cover the PayPal costs. In order to remain an Affiliate with the Central Coast California Unit, the member must insure that they renew their full membership with their host unit. Those dues can be sent to International directly or to the appropriate address of their host Unit.

5) Any individual who no longer owns an Airstream trailer or RV is no longer eligible for either full or affiliate membership.

The Central Coast California is looking forward to having all of our wonderful members back with us for 2017 and new adventures in Airstreaming.

Bob Minder Treasurer
CCC Unit 20, WBCCI

Welcome New Members

We welcomed three new couples on their first rally with the Central Coast California Unit at the Big Bear Rally in September.

Michael and Marsi Peterson with their pup, Gracie from Santa Barbara. **

Ron and Karen Carlson from Ventura.

Adrian, Vickie and young Edward Corbett from Edwards. **

**The Corbett's and the Peterson's are also going to the Refugio State Beach Rally in October. The Central Coast California Unit is pleased that our newest members fell welcome and are being an active part of future rallies. Hope to see the Carlson's real soon too!

Big Bear Rally September 2016

The September rally at Holloway's Marina and RV in Big Bear Lake was a wonderful adventure. Depending on the rig and the day/time of travel, the trip up the mountain (on 330, 18 or 38) was spectacular or scary, full of construction or newly paved, piece of cake or difficult to navigate the switchbacks and 8,000-foot climb. Once the 16 rigs were settled into Holloway's, the weather cooperated beautifully. Warm sunny days and a hint of fall once the sun went down. (Side note: because of the drought, Big Bear Lake is down 16 feet and losing 3" a day! Hope the rains hit soon.)

(Photo courtesy of Jot Hollenbeck – thanks)

Most of our group came in on Thursday so there was time to visit with each other and check out the town of Big Bear. Officially the rally began Friday night with Happy Hour and our own version of Oktoberfest including sauerbraten, schnitzel, German potato salad and chocolate cake. Some of those recipes are in this edition of the Tattler. Gary introduced and handed our membership tags to our new members: Ron & Karen Carlson, Adrian & Vickie Corbett (from England stationed here at Edwards Air Force Base), and Mike & Marsi Peterson. Glad you joined us and look forward to seeing you at another gathering. Our famous duo of Jot and Gary pulled out their guitars and a sing-along was in full force with faux campfires blazing. Doesn't get much better than that!

Saturday morning started off with authentic apple strudel, fresh fruit, and a meat & cheese tray. The Old Miners Parade was happening along the main street in town but most of us headed to The Big Bear Lake Brewing Company for a very educational tour, sampling of the products, and delicious choices for lunch. I had the beer-battered fish and chips and it was super!

Saturday afternoon was full of hikes, shopping, looking for bears (carved ones), cooking and good old fashion relaxing. The pot luck on Saturday night was beyond words. As usual there was plenty of good food and talk of places people had visited, Airstream do's and don'ts, future rallies and more.

Sunday was another continental breakfast with the best fresh fruit and pastries. About half the group had to get on the road but others stayed to enjoy the crisp, clean mountain air until Monday.

Heartfelt thanks to our co-hosts, Pam & Stuart and Shelley and Mark. Since we did not have a rig there, it was wonderful to have all their help, along with Peggy and Linda who were johnny-on-the-spot to help with last minute meal preparations, setup and cleanup. Everyone pitched in (as usual) to make this a fun rally and one that we hope will be revisited in a couple of years.

Campers included: Co-hosts Mike & Roxy, Mark & Shelly, Griffin Stuart & Pam. Members Ron & Karen, Adrian & Vickie and son Edward, Carol, Jim & Amy, Jot & Linda. Alan & Carol, Gary & Christa, Cal & Peggy, Bob & Linda, Paul & Karen, Michael & Marsi, Ed & Paula, Tom & Teresa and Rick & Dena. Plus many of our four-legged friends.

(Photo: Cal & Ritz relaxing in the doorway of the trailer – way too cute!)

Finally, we are thrilled to let you know that Ed is doing great after his medivac ride down the mountain with a what we thought might be a stroke. Thankfully, not the case. Paula & Ed want to thank all the CCC family for coming together to support them. Special thanks to Gary, Rick Pam and Mike for their help during their time of need.

Can't wait for the next rally. Travel safe and hopefully see you at Refugio (October), Paso (November) and/or Channel Islands (December).

Take care, Mike & Roxy

Big Bear Rally Interrupted From my perspective:

After attending the rally's brewery tour, Ed was rendered speechless.....not from drinking beer but from what turned out to be a TIA or brain attack. When I noticed Ed's inability to speak, I ran to Gary Mellinger for help. He immediately put on his fireman's hat and confirmed we needed 911 who arranged for a helicopter ride for Ed to Arrowhead Regional Medical Center, the nearest certified stroke hospital in Colton.

As Ed was being loaded into an ambulance, fellow Club members rallied around to deal with the motorhome and rental car and Gary drove me down the mountain to the hospital enabling me to stay with Ed while he underwent the tests that ruled out a stroke as they continued to stabilize him. A big thank you to everyone for all who cared for us. Pam stowed our stuff, Gary dumped tanks, Rick and Dena managed the rental car and motor home, Mike (ask Mike about that ride) was drafted to drive the motorhome back to Ventura (I think it was Ed's plan to not have to ride with me in the motorhome going down the mountain), and Pam and Stuart swung by to pick me up on their way home. There may have been others who may have helped and we thank you. All in all our Airstream village stepped up to take care of us big time. We cannot thank everyone enough who pitched in and we felt the good wishes that were sent our way. It is really wonderful to be a part of such a great group.

Ed received excellent care at Arrowhead Regional and was discharged Monday evening with no lasting effects other than an increased risk of another TIA or stroke.

Paula Poll

Ed is doing well...

Roxy and Mike Gross have a new baby! Back to Airstream Aluminum!

We sold our 40' Airstream Motorhome in July to a lovely lady who plans to travel full time for a few years. Then had a bit of trouble finding exactly what we wanted but A to Z Motors in Winters CA had a number of

"new-to-you" rigs that were of interest. So, we drove to Sacramento and found this charming 2005 28' CCD model Airstream. Looks like new inside and out. Mike says it pulls like a dream. We are off to the Hot Air Balloon Fiesta for its inaugural trip. Mike and Roxy

Central Coast California November Rally

Co-hosts: Judy & Walt Bremer and Teresa & Tom Tighe

November 18-20 **Wine Country RV Resort** in Paso Robles It's WINE TIME!!

El Paso de Robles or the "Pass of the Oaks" was incorporated in 1889 and has a great history; it is known for its' mineral springs, cattle ranches, apple and almond orchards, dairy farms, and more recently vineyards and wineries.

There are many things to do in Paso Robles, so be prepared to have some fun taking in the local attractions. Of course, as the name of our RV Park suggests, there are over 250 wineries in Paso Robles County, plus there are many tasting rooms in the Paso downtown area. There is also shopping, golfing, museums, parks, historic ranches, and Hearst Castle and the beautiful California coast are just a short drive away. For those wishing to visit some of the local wineries, individuals can go on their own, or we will book a group Wine Tour; prices vary depending on the size of group and the number of wineries visited.

Museums include: Estrella Warbirds Museum, Estrella Woodland Auto Display, Pioneer Museum and the Children's Museum at the Paso Robles Firehouse.

This is not the first time that our club has been to Wine Country RV Resort, so some of you already know that it is a nice park and great location. We have 20 sites reserved; please send your registrations in ASAP. **You may extend your stay before or after the rally, coming in Thursday or leaving on Monday.**

Friday Night will be a hosted Mexican meal from starters to entrees. If you would like, additional appetizers would be welcome. We will provide margarita mix; you can bring the tequila or cerveza.

Saturday Night will be an Italian theme. We will start with wine tasting; please bring a local or your favorite wine. The hosts will provide cheese, bread and savories. For dinner, please bring an Italian dish – salad, entrée, side or dessert.

Saturday and Sunday Morning. You provide your own coffee or tea. The hosts will provide: fruit, juice, yogurt, hard boiled eggs, muffins, bagels, cream cheese, jellies, oatmeal, raisins and brown sugar.
