### Central Coast Unit

The Central Coast California Unit encompasses the scenic California coastal counties of San Luis Obispo, Santa Barbara and Ventura, but our members come from all around Southern California! We are an active, social group that participates in local, regional and international rallies. We are dedicated to the Creed created long ago by the Airstream founder, Wally Byam. Though Wally has passed, the words and wisdom of his Creed live on in the many Airstream Clubs that remain active to this day. Established on April 10, 1965, we continue to enjoy "Fun, Friendship & Camping."

## President's Message

Linda Hollenbeck

Hello Fellow Campers,

April has been a fun and busy month for our club.

The Pinnacles rally, April 6<sup>th</sup>-8<sup>th</sup> was hosted by Mike & Roxy Gross and Michael & Nancy Jackson. From what I heard it was well attended and everyone had a great time, but then I always say that, because it's true! See more on the rally report.

The Cali-Rally in Parkfield was a great success with 73 rigs winding their way up a beautiful meadow dotted with Oak trees of all sizes. The theme was western and the Region 12 team lead by Jim and Lynda Polk did a wonderful job executing the theme. There were barbeques with the V-6 Ranch owners and wranglers cook'n and serve'n the best grass fed beef from the ranch. Line dancing with Ken & Judy was a hoot. There were 23 participants in the chili cook-off.

Seminars were given on rig maintenance, staying connected on the road, using drones and other topics. Horseback rides and a walking tour of the ranch were other activities offered. We met many wonderful folks and reconnected with others we had met along our travels. Our CCC unit was well represented with the Minders, Baileys, Hollenbecks, Wrightsons, Joe Deering and Dave Temple in attendance.

While at the Cali-Rally, I learned what to expect at the International Rally in Salem. Did you know that as president of our unit I get to walk in a parade and carry our flag? Watch out Salem here I come.

Please remember to book your space at San Simeon in May and keep your eyes open for Rally Coupons for our Fall rallies in Big Bear, Camp Comfort in Ojai, the beautiful Chula Vista KOA and Pismo Sands to complete the year.

Take care and I'll see you down the road.

## Membership Report

Gary Mellinger, Membership Director

Happy April and May Central Coast California Airstreamers.

Christa and I were able to make the Pinnacles Rally graciously hosted by Michael and Nancy Jackson, Mike and Roxy Gross. What a nice location nestled in the canyon under the giant oak trees and surrounded by the Pinnacles and mountains of the California Coastal Range. Pinnacles was established as a National Monument in 1908 by Teddy Roosevelt and was granted National Park status in 2012 by congress.

This month our Central Coast California Unit has gained another 2 families. Our newest members are Jason and Andrea Grendahl of Pleasanton California who tow a 30' trailer. Also joining in March were Steve Gwillim, Ventura, towing a 19' trailer, John & Barbara Degroot, Santa Barbara driving a new 2018 25' Atlas. Moving into our Unit from the South Coast Unit this month is Dena Mercer, camping in her 2017 Interstate Van. Welcome friends to our active Airstream Unit. It is a pleasure to have you aboard. Our membership now stands at 72 families and 10 affiliate families for a total of 82.

Eight new members in 2018, so far, is a great start to the year!

To our newest members, please consider joining our "closed to the public" CCC Facebook Page. You can find it by opening your Facebook app or page and type in "Central Coast California Unit, request admittance, and one of our administrators will promptly admit you. This is where we have an active dialog going with all the members and where you can meet and share in a non-public environment.

Again, thank you to all who have volunteered to co-host our rallies and also become officers of our growing club. It's your club too, volunteer and join in guiding our Unit in the future years.

Cheers everyone and Christa and I hope to see you all very soon.

## Member Profiles

### Judy & Walt Bremer Director & Webmaster

Judy and I both grew up in a small town in Minnesota. In 1974 we moved to Utah for graduate school and then Indiana for a first teaching position. In 1981 we moved to San Luis Obispo, CA to pursue our professions in education.

We spent many years hiking, biking and tent camping with our two children and five grandchildren. On a trip with friends to a Los Angeles RV Show we looked at an Airstream and fell in love with it. Our first trailer was a 2010, 20' Flying Cloud. Airstreaming has been so much fun, and with our retirement and longer trips, we decided to buy a 25' Flying Cloud in 2014.

We love to travel in our Airstream, so in addition to monthly rallies and short trips, we plan at least one or two major trips a year. To that end, we've traveled most of the western states, upper mid-west, and two summers ago we traversed Canada from British Columbia in the west to Nova Scotia and Cape Breton Island in the east. It was a three month trip, but when we returned, we said "where next?" We have a Utah and Colorado trip planned for June and July and the Balloon Fiesta in Albuquerque in October.

We enjoy being a part of the Central Coast Unit and have both served on the board since we joined.

### Jason & Andrea Grendahl New Members

The Grendahl family is Jason, Andrea, Parker (11), and Mason (10). Our two cats are often with us in the Airstream, although they have little interest in venturing out usually.

We have been Airstreamers since 2008 when we bought a 1974 Overlander. We added a 1977 Argosy 24 motorhome in 2011. We opted to sell both of those in order to buy something that was perfect for our family of four which is our current 2005 Safari LS (bunkhouse).

National parks are our travel passion with the Airstream. Parker and Mason have collected over 50 Junior Ranger badges each. Of the 50 states, we have only 14 left to visit. We will reduce that to 10 after our trip this summer. We recently moved from Ohio to California due to Jason's employer opening a location in San Jose. The town of Pleasanton in the east bay is our current home. Although the kids' school schedule primarily dictates when we can get out for long trips, we hope to be able to get to some of the CCC rallies toward the northern end of the usual area.

## Pinnacles National Park Rally Report

April 4-7, 2018 | by: Roxy Gross

We had a blast! Despite the predication of rainy weather, fifteen Airstreams made their way up the 101 to the back country between King City and Hollister. It is a beautiful drive with large cattle and horse ranches, green pastures, and even several vineyards. The campground at Pinnacle National Park was wonderful and already had 3 Airstreams camping (not rally/club members).

Most of our group arrived on Thursday in time to set up Party Central: move picnic tables together, construct easy-ups, and thanks to Dennis Pall set up his camp stove and table. Folks came together to enjoy an all-American BBQ with enough sides to feed a small country. Hosts Nancy & Michael Jackson made the best-ever pineapple upside-down cake in a cast iron Camp Dutch Oven for dessert (see recipe on Facebook).

After a good night's sleep, listening to the pitter-patter of rain drops on the roof, we started Friday with a hearty breakfast before folks branched out to explore the area. Many thanks to all the helping hands that spent Friday afternoon making salad for our Italian dinner and chopping & dicing vegetables for Saturday's breakfast of omelets in a Ziploc. Friday night was Italian lasagna and planning for hikes on Saturday. Pamela Pall treated us to yummy peanut butter/chocolate cupcakes for dessert. Fabulous!

It rained heavily during the night but cleared in time for breakfast on Saturday morning. If you haven't ever tried making Ziploc omelets, you have missed a treat. Boil water in a big pot, put 2-3 eggs in a Ziploc along with whatever you like (tomatoes, peppers, onions, sliced bacon or ham, mushrooms, etc.). Place in the boiling water for about 12 minutes and voila.....a tasty omelet.

The weather stayed clear for the day and campers hiked up to Bear Gulch or the Pinnacle monument or just relaxed and enjoyed each other's company. Saturday night, it was time to break out the Margaritaville Blender, Mexican dips/chips, and tacos. We finally had clear weather for a campfire and 'smores.

Sunday was gorgeous weather. Several people had to leave but the majority stayed to hike, ride bikes, or relax in the warm sun. Unfortunately, Mike & I had to head home but we heard it was another good camping, visiting, and of course, eating day.

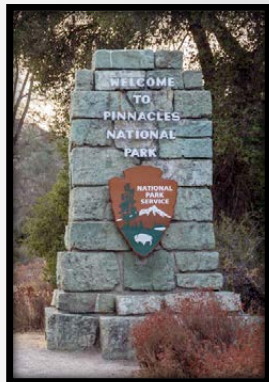

If you have not camped the Pinnacles National Park, you need to put it on your to-go list. The campground is beautiful. There are deer, wild turkeys, condors and eagles. It has electric hookups, plenty of water spigots to refresh your tanks, and a convenient dump station. Hopefully we'll add it to our outing list again in the future.

Joining co-hosts Nancy & Michael Jackson and Mike & Roxy Gross were: Chuck Alberti (Janie stayed home with the flu, Bill & Karen Almas, John & Susan Barrett, Walt & Judy Bremer, Steve & Christina Kensrue, David & Mary Lawson, Gary & Christa Mellinger (good to see Christa out), Dennis & Pamela Pall, Bruce & Ann Smith, Keith & Lynne Valley, Steve & Tammy Wark, Terri & Steve Wrightson, and Bruce & Carol Yeoman.
